Dear Members, Home Show Exhibitors and attendees,

The Eastern Panhandle Home Builders Association is committed to providing our community and membership with a quality Home Show. With that in mind, we have decided to post-pone the 2021 Home Show and are actively planning a Spring 2022 Home Show. This was not an easy decision, however due to some conflicts with our prior venue, timing of COVID-related restrictions, and feedback from our participants we felt that this would be the best decision. We look forward to coming back, at a new venue in 2022, and hold a more successful event for all of those involved.

We will release more information on dates, times, and location when that information becomes available.

Also, any exhibitor that prepaid for 2021 OR deferred their payment from the 2020 to the 2021 Show has the option to defer their payment again for the 2022 Show. If you do not wish to defer your payment, you can receive an 80% refund, or donate your payment to the EPHBA. Please call the EPHBA office to discuss more details and to let us know how you would like for us to apply your payment going forward.

We look forward to seeing you at our Home Show in 2022!

EPHBA
